## MESSAGE FROM THE GM

New Year blessings & well wishes from sunny Orchid!

2018 has been an eventful year for us. We celebrated our Silver Jubilee with the OCC 25th Anniversary Golf Friendly and closed the year with a bang with several memorable events in December, like the Christmas Light Up, Christmas Golf Game and the Countdown Party 2019. The "Share A Gift" project initiated by the Boys Brigade for their beneficiaries in the spirit of giving during the Christmas period received overwhelming response from members and OCC colleagues. We thank those who have contributed, for their generosity and kindness that have made a difference in someone's life. As we bid 2018 farewell and welcome 2019, we promise you an equally exciting year ahead with more intriguing and fun-filled events and activities, and new improvement initiatives and upgrading projects in the pipeline to serve you better. Keep your eyes peeled for more information in the coming months so that you can register early and be part of the excitement!

I am pleased to announce that the Club newsletter has been renamed from 'Smile' to 'Orchid Ripples'. Ripples are likened to positive energy and effects of what we do, the services we excel to provide and the events and activities that we customise to your needs and expectations. These ripples carry positive vibes, are impactful and we hope it will resonate well in our communications with our members. Ultimately what the Club envisages and plans to do is to create a platform for two-way communications to receive constructive feedback and valuable suggestions that would build trust and confidence, thus keeping members well informed and actively involved. You will have noticed by now we have a new design layout including new content headings outlining the various articles for ease of reference.

Another exciting announcement we have for you is the launch of a brand-new membership card. As part of our continuous efforts in this digital age, the new membership card will come with a radio-frequency-identification (RFID) feature. This will help to facilitate and expedite payment transactions, registration and access to Club facilities, leading to hand-written or manual registration a thing of the past; with stronger personal data security and in compliance with PDPA guidelines. We have also taken the opportunity to initiate a "Members' Particulars and New Photos" updating exercise in December in view of the upcoming launch of the new membership card. Members can exchange their old card for the new card from 4 March 2019 (Monday). From 1 April 2019 onwards, the Club will accept only the new membership cards. Therefore, we strongly urge you to expedite with the one-for-one replacement of the new cards as soon as you can during the month of March so that there will not be any disruption to your use of the Club facilities and services. A sneak peak of the new membership card designs is on page 5.

On the golfing front, the practice chipping and putting greens near Aranda Hole 9 were reopened at the end of December 2018, after a temporary closure to facilitate the re-surfacing and growing-in of two new green turf species, which are Trinity Zoysia and Primo Zoysia. The golf course maintenance team will monitor the turf agronomic qualities and play performance to assess the suitability for future greens upgrading. Generally, we are delighted to report that

the greens have shown great improvements from various cultural practices resulting in better greens turf density and has become more resilient with improved playability. The golf course maintenance team is also embarking on weeds eradication programme on the fairways and immediate rough areas. Please be informed that the maintenance team will be vigilantly carrying out re-turfing work on brown patches as a result from herbicide and pesticide sprays. The end result of this exercise is a uniform surface that has good turf purity, aesthetics and improved playability on the fairways and immediate rough. Our golfing members can look forward to a more enjoyable golfing experience with certainty. I would also like to reiterate to all golfers to constantly remind your golf kakis to repair divots and ball marks; together we can make a positive impact to keep our golf courses in pristine condition. Your efforts and contribution are important in sustaining the overall playability, aesthetics and enjoyment of the golf courses. Together we can make a difference!

In celebration of Chinese New Year, we are thrilled to enclose the Club's 'Ang Pow' packets together with this issue of Orchid Ripples. We hope that you and your family will enjoy the unique design of this year's 'Ang Pow', including the OCC 2019 Calendar by now, which were mailed out to all members in December. On behalf of my OCC colleagues, I would like to express our sincerest and heartfelt gratitude to all members for their kind contribution to the 2019 'Ang Pow' Fund. Your generosity serves as an encouragement and motivation for us all, and has warmed our hearts during this festive season.

**"We make a living by what we get.  
We make a life by what we give."  
– Winston S Churchill**

Get into the festive mood and kick-start your 2019 calendar with us at OCC! Mark this 17 February 2019 (Sunday) on your calendar! On this day, we have our annual Hong Bao Golf Special plus a pre-golf luncheon, and the auspicious Lion Dance Performance to usher in good fortune and prosperity for the Lunar New Year. There is also the Hong Bao Dinner celebration at the Grand Ballroom. If you do not play golf, you can try your hand at the Hong Bao Bowl at Orchid Bowl on 16 February 2019 (Saturday). Register early to avoid disappointment! For those who are visiting the Club during the festive period, please refer to page 4 for the Chinese New Year operating hours of our F&B outlets, facilities and golf courses.

On behalf of our Proprietor, General Committee, Executive Committee, Sub-Committees, the Management and staff of OCC, I wish you and your loved ones a Prosperous Chinese New Year and may 2019 bring you the Best of Health, Good Fortune, Blessings, Peace and Happiness!

新年快乐! 万事如意!

## NEW RFID MEMBERSHIP CARDS UNVEILED

As part of our efforts to streamline members' experience at the Club, we will be launching new membership cards on **4 March 2019**.

Each membership category will come with its unique card design and is radio-frequency-identification (RFID) enabled. The new membership cards will be issued based on a one-for-one exchange. You need to bring along your existing membership card(s) to exchange for the new card(s). From **1 April 2019**, the full implementation of the RFID card will take place and we will no longer accept the old membership card Club-wide.

Here's a sneak peak of our new membership cards! We hope the touch of flora and fauna on these cards will brighten up your Club journey with us!

# NEWLY RENOVATED RESTROOMS

From September to November 2018, major renovations were carried out at the restrooms next to Theatrette (Social Clubhouse Level 1) and Conference Room (Golf Clubhouse Level 2). Next, we will be renovating the Golf Changing Rooms. This is all part of our facility renewal programme to serve you better. We would like to take this time to thank you for your patience during the upgrading period.

## STAFF DAY 2018 – ONE-DAY TRIP TO BATAM

The annual Staff Day was specially planned for OCC and ACC staff, where everyone indulged in a rejuvenating one-day trip to Batam in October 2018. After a sumptuous buffet breakfast at Pacific Palace Hotel, everyone let their hair down with the free and easy time for the rest of the day. All the staff shared bonding and fun moments as they went on shopping sprees, with some enjoying relaxing spa sessions. It was a nice break away from work as everyone got to rejuvenate and recharge for the day!

Ahoy! Setting sail for Batam!

The second Range Carnival of the year was a great success as we welcomed an overwhelming number of vendors that supported us with special deals and unique products at the Golf Equipment & Apparel Bazaar. Participants got to try out exciting activities such as rainbow calligraphy and chopstick calligraphy, and savour traditional candies like malt candy and dragon beard candy. The Carnival concluded with the highlight of both days – the Lucky Draw. We would like to thank all participants and vendors for helping to make this event a memorable one!

# GOLF COURSE MAINTENANCE

The greens are making steady progress and continue to improve despite the year-end monsoon season. The greens are of better turf coverage on the putting surface, with higher turf density and better turf vigour. The improvement made on our green turf quality translates to better putting quality with truer line of putt, faster green speed and higher consistency.

Various cultural practices were carried out on the greens to improve playability.

Resilient greens turf with deeper roots and more root mass.

The Club works closely with the golf course maintenance contractor to ensure our maintenance programmes enhance the playability of the golf course in all play areas; this also ensures long-term sustainability of turf growth and turf performance.

The Club is still working on the weak greens to achieve full recovery after the heavy hollow-tining in June 2018. These greens are Dendro green #1, #7, #8, #9 and Vanda green #9. Special maintenance programmes are tailored for these greens to expedite their recovery. We are seeing encouraging positive response from the turf after carrying out the programmes.

All greens undergo regular needle-tine aeration to promote water percolation and air exchange for deeper root system and higher shoot density. The needle-tine process is fine-tuned to leave minimal disruption to the playing surface.

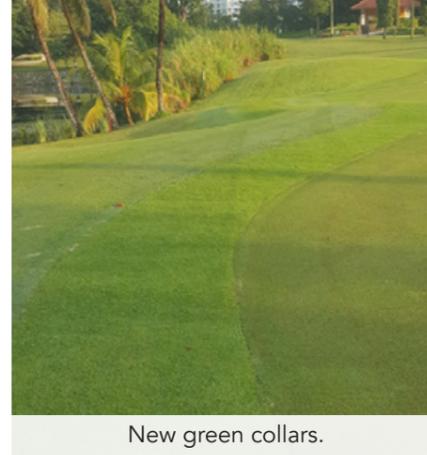

Needle-tine aeration on greens.

Improvement work was carried out on green collars in particular those with a high percentage of weed invasion. The old mixed turf was stripped off and replaced with new sod of pure Paspalum grass from the nursery. Once the new turf is established, it will provide a uniformed surface that is visually pleasing with better playability.

Improvement work on green collars. Replacing mixed turf with big roll sod of pure Paspalum grass.

New green collars.

Cow grass on the fairway turning brown and dying-off after herbicide spray.

Patches of cow grass on the fairway dying-off from herbicide spray.

Tee boxes were maintained at high standards to continue to provide golfers with good foot stance, levelled surface, uniform turf free from weed, and firm tee ground.

The Club is also embarking on a weed control programme to prevent the spread of weeds such as cow grass, nut sedges and spurge on the fairways. Herbicide spraying was carried out on all fairways. Golfers may notice brown patches on the fairways as the herbicide takes effect. The surrounding Zoysia grass will progressively take over the dying cow grass which has been weakened. Re-turfing work will be carried out on the large brown patches. We seek golfers' understanding to bear with us during this process of weed eradication.

In the pipe line, the golf course accessories will progressively be replaced with new sets. These include distance markers, bunker

rakes, flagsticks, pin cups and pin flags. Golfers can look forward to a fresh feel.

The practice chipping greens and practice putting greens near Aranda 9 were stripped off and resurfaced with new species of green turf as trial plots. Two new species of turf were planted; they are Trinity Zoysia and Primo Zoysia. Both species are the latest in the turf market with high potential.

The plots were set up to evaluate the performance of the new turf species for future upgrade of the greens. The Club will monitor the agronomic qualities and also gather feedback from golfers on play perspective. The new resurfaced greens are expected to be open by year-end.

# GET THE MAXIMUM SPIN AND STOP FROM YOUR WEDGES

Do you want to golf like a pro and get your golf ball to stop as fast as possible? The condition of your golf wedge is very important. To achieve the maximum spin and stop in your golf game, follow these simple guidelines and you are on your way to a better game!

1 You will not have much chance of stopping the ball if the faces of your golf wedges look like this.

3 To maximise the spin created by your club, keep the club face dry and clean as the surface between the grooves is what comes in contact with the golf ball. Always keep a brush and a dry cloth handy.

Clearing grass and dirt from the grooves may help a little.

2 Grooves are not there for creating spin. Their job is to clear incidental grass that can interfere with the quality of grip (friction) created when the club face meets the golf ball. The grooves on your wedge have a similar purpose as the grooves on your car's tyres.

4 Your club should look dry and clean like this!

Follow the tips above and watch as your golf balls FIZZ and STOP with ease on the greens!

# GOLF'S NEW RULES: KEY CHANGES

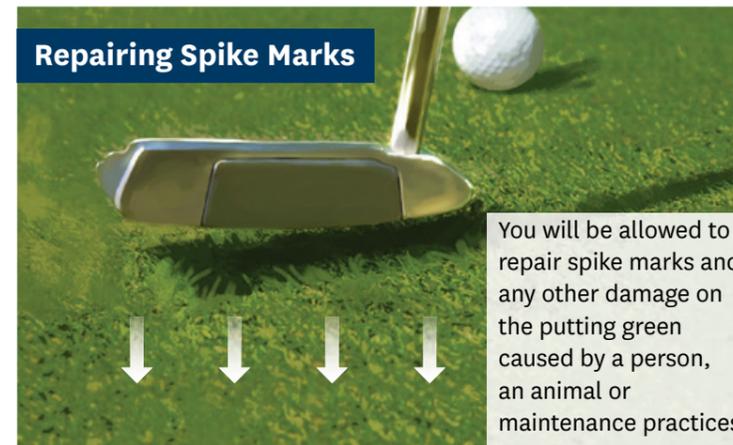

The R&A and the USGA have released golf's new Rules, which will take effect on January 1, 2019. Here are five of the most significant changes.

## How to Drop a Ball

You will drop your ball from knee height into the relief area.

## Repairing Spike Marks

You will be allowed to repair spike marks and any other damage on the putting green caused by a person, an animal or maintenance practices.

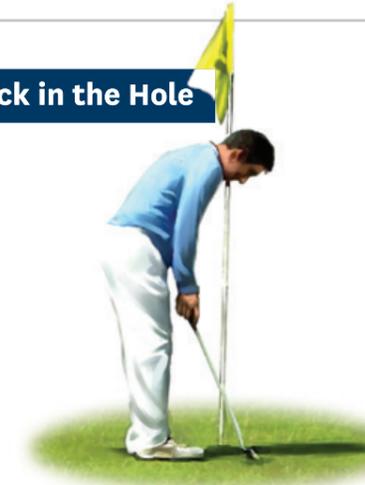

## Time for Ball Search

Three minutes will be the maximum allotted time to search for a ball, rather than the current five minutes.

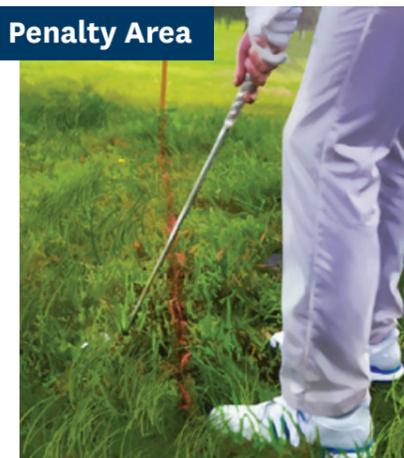

## Leaving Flagstick in the Hole

If you make a stroke from on the green and your ball hits the flagstick in the hole, there will be no penalty.

## Relaxed Rules in Penalty Area

You will be allowed to ground your club and move loose impediments in a penalty area (an expanded concept of water hazards that does not include bunkers).

For more information on golf's new Rules, please visit [usga.org](http://usga.org) or [randa.org](http://randa.org)

The new Rules will be effective on 1 January 2019.

# OCC JUNIOR DRIVE CHIP AND PUTT CHALLENGE

Saturday, 10 November 2018

To engage and motivate our junior golfers, Golf Performance 360 (GP360) organised a Junior Drive Chip and Putt Challenge at the Driving Range in November 2018. Forty-two participants between ages 6 to 13 years old had their try at the drive, chip and putt stations. It was a fruitful day for the junior golfers as they honed their golfing skills and gained new knowledge in the game. It was heartening to see a good turnout, especially since it was the first of such events hosted by GP360. OCC will continue to work with our Golf Academy to provide a great learning platform and build an exciting junior programme for our junior golfers. A big Thank You to all for your support!

# CHRISTMAS LIGHT-UP

Saturday, 10 November 2018

Excited participants taking part in fringe activities

Christmas came early at OCC this year, with festivities getting into full swing at the Golf Clubhouse outside Vanda Terrace. Close to 100 members and guests came together for the Christmas celebration to join in exciting activities such as face painting, caricature drawing, photo booth, popcorn and candy floss giveaway, Christmas trivia quiz, as well as the launch of OCC Share-A-Gift project.

The night reached a frenzied peak with the appearance of Santa Claus and Santarina, who joined in for the Christmas tree light-up with Head of S&R / F&B, Cristo Fong, Head of Golf, Dennis Ee, and Head of Hotel, Gopal. Concluding the night with a heartwarming finale was a lively carolling performance by nEbo and U Live, who got the crowd singing along to Christmas songs and soaking in the joy of the season!

# 26TH SUPER SPRINT SERIES - KIDS' CHALLENGE

Saturday, 10 November 2018

Eighty budding swimmers, from as young as four to as old as 11 years old, put on their swimming attire and participated in the 26th Super Sprint Series - Kids' Challenge. These promising young swimmers from five swim clubs kickstarted the race with the 20 metres Freestyle Kick and Breaststroke Kick as they dived into the pool with their kickboards. Proud parents clapped and cheered their children on from the sidelines as they raced across the pool with great determination. Despite the inclement weather that resulted in the swim meet being cancelled halfway through, the kids did not let the rain dampen their moods as they joined in with elation for the fun fringe activities at the annual Christmas Light-Up. Look out and sign up early for the 27th Super Sprint Series on 30 March 2019!

# SOCIAL SATURDAY – SEASHELL ART

Saturday, 20 October 2018

In October 2018, members attended a DIY Social Saturday workshop and learnt how to turn seashells into one-of-a-kind keepsakes. Endre Huebner from Gift of Nature demonstrated the safe way of using a glue gun. Then, members tried their hand at using seashells, pebbles, casuarina pines, and tree branches picked up at Singapore beaches to make exquisite crafts such as flowers, animals and unique cards. It was a really fun session as everyone had the chance to pick up a new skill and bring home their handmade nature treasures. Many thanks to Endre for sharing his creative ideas with everyone!

~ Our service compliments ~

## Excellent Wedding Services

On 15 Sept 2018, we booked our wedding dinner with OCC at its Sapphire Suite. We would like to specially compliment the Club for a few things and a few persons. Firstly, we are very grateful to Mr. Fabian (Sales Manager) for handling our wedding event. He is so committed to his job and we had so many last-minute changes that I had to keep disturbing him. He tried his best to accommodate every request we made and made sure our event went smoothly. To be honest, my wife and I were very happy with his service. I think OCC must be happy to have him as your sales manager. As the wedding is a big event that is once in our lifetime, we are very sure Mr. Fabian will handle every wedding event well. Once again, we would like to thank him so much and I hope OCC will be able to reward him as his service was excellent.

We would also like to thank another person - her name is Li Kim. She was really very helpful and ensured our wedding dinner guests were well taken care of.

My family and friends have given us very good reviews of OCC and also the banquet dinner was relatively good (Please help us to thank Peach Garden for their wonderful food).

We would like to say a BIG THANK YOU to everyone who helped us during our wedding event.

Best Regards,  
**Benny & Jerves**

## Attentive Front Office Staff

I am writing to express my heartfelt gratitude to your hotel staff. I stayed at the Orchid Lodge from 5 to 7 November 2018, taking up seven rooms for my guests as well. The rooms are spacious, well-furnished and clean. But the thing that made our stay even more pleasant was the efficiency and attentiveness of your front office staff.

I single out a lady named "Wawa". I'm sorry I did not get to ask her full name. There is also another gentleman on duty at the front office on the afternoons of 5 and 6 November whose name I did not get. They were both very helpful. I was a little worried about the administration of checking in for seven rooms, as I am not a seasoned traveller. "Wawa" helped make the whole process smooth and not chaotic as I had feared it would be. She helped to manage my guests who came in at different times, and ensured that they got to their rooms with little delay or fuss. She displayed good temperament throughout and was very professional in approaching her tasks.

On the evening of 7 November, after I had checked out, one of my guests called me to say that she may have left her tablet PC behind in the room. I called the front office and was attended to by a gentleman named Edison. He was very reassuring and immediately checked with the housekeeping staff. He called me back within minutes with an update. It all ended well as my guest eventually found the tablet in another bag.

I am most impressed by your team at Orchid Lodge. They are a credit to your organisation. Please convey my heartfelt gratitude to them. Thank you.

## Well Planned Church Event

Dear OCC Management team,

After all the event activities and excitement have died down, on hindsight, they were successful and well planned out. We are glad that we chose your venue.

On behalf of our church, I want to express our appreciation to OCC for helping us make our church's (Tabernacle of Christ) 25th Anniversary memorable.

It was the good co-operation from Serene and her team that made a difference. From the beginning of our liaison with Serene, she was such a friendly and easy "go-to" person. From her suggestions and experienced guidance, I was able to plan the event smoothly and efficiently. For example, even though it was the last two days before the event, Serene helped us to arrange the "buggy" entrance without difficulty. It helped make the event exciting like "icing on the cake".

Thanks again, Serene, for your help, partnership and warm friendship.

During the event's lunch, we were served by banquet manager, Miss Stephanie. Being attentive and with great serving attitude, she was smiling and joyful all the time! When one of our guests requested for two bowls of rice, she ensured it was quickly served. Personally, I have been to other restaurant's lunches or dinners when they couldn't serve rice because it was simply unavailable. We really appreciate her "no problem" attitude to go the extra mile.

So, thanks Stephanie, to you and your serving staff during cocktail and lunch. Your willing and helpful service is what we applaud and appreciate.

On the whole, we pray that God will continue to bless OCC with more successful events and wonderful staff.

Thanks again with appreciation,
